Lynne:

This letter has been revised by CC in response to some comments I had—I've reviewed and it is ok by me.

If you are set with it, pass that fact along to Cindy. Thanks.

I accepted your redline language, replied to one comment with some language change, and tightened up some things. Let me know when I can finalize; I do want to call Gary to give him a head's up before I hit the send button.

Also planning to take Friday off so would like to get this and Kim's comments out today or tomorrow if possible.
